Labor? Not Today, Thank You

It's the last, long holiday weekend of the summer. Time for one more picnic, one more outing, one more trip before the children go back to school, and before Dad buckles down for the long winter of work ahead. Time, too, while you're relaxing, to count the gains made by American labor over the years, and to remember the significance of Labor Day.

Die or Admit Germ Warfare, Officer Says

By ROBERT B. TUCKMAN

INCHON, Korea (AP) — A graying Marine colonel and a young Air Force lieutenant said today there was only one way out of "confessing" germ warfare charges — death.

"I could either die from their mental treatment or serve my country better by giving the Communists the fantastic information they wanted," said Col. Frank H. Schwable, who was freed only yesterday from a Red war prisoner camp in North Korea.

"The Chinese gave me a choice of life or death. . . They put words in my mouth and I said them," said Lt. Floyd B. O'Neal of Fairfax, S. C.

Both had declined to talk with newsmen yesterday when they were freed in the last hours of the Korean War prisoner exchange.

Other fliers returned on the final day of exchange said the Reds got the "confessions" they wanted with torture ranging from mental cruelty to letting maggots crawl inside a wounded man's ear.

Schwable and O'Neal met newsmen after a day's rest — and described how the Reds relentlessly ground away at their resistance with threats, physical torture and unceasing questioning.

Asked if the charges were true, the 45-year-old Schwable answered: "It is fantastic that anybody could believe that sort of thing could be used. It is utterly fantastic."

"They have enough fleas, flies and mosquitoes in North Korea with our adding to it."

Schwable was captured in July 1952 when he and his co-pilot, Maj. Roy H. Bley of Cabot, Mo., were shot down over North Korea.

Asks Court to Drop HAC Charges

LITTLE ROCK (AP) — Two Conway County men have asked Pulaski Circuit Court to dismiss indictments against them charging that they got money from the state under false pretenses by misrepresenting the cost of gravel.

Conway Sheriff Martin Hawkins and his father-in-law, W. Monroe Treadwell, asked the court Saturday to dismiss the charges on the ground that two grand juries had the facts in the case and failed to indict them. A third Grand Jury handed down the true bills last March.

Hawkins and Treadwell were charged as a result of investigations into Highway Department operations under former Gov. Sid McMath.

Boss, Hired Help Work Harder Playing Labor Day Than Playing Work on Week Days

By HAL BOYLE

NEW YORK (AP) — Labor Day is a fine idea. It gives the boss 24 hours in which to escape from the critical eye of the working man. It gives the conscientious employee the same respite from his stern duty of reminding the management there aren't enough towels in the washroom.

The theory behind Labor Day is great—that is, to honor labor by abstaining from it. And it is a sound theory so far as it goes, because any kind of work looks better from a distance than it does when you get involved in it.

The trouble with Labor Day is that it lives up to its name instead of the theory behind it. Both boss and hired hand work harder playing on Labor Day than they do playing they are working on an ordinary day. They put out enough foot pounds of energy on Labor Day to turn every wheel in America for a week.

Why not save all this wasted energy? Why not have a "No-Labor-and-No-Play" Day?

As it is now millions of Americans must work on Labor Day in order that other millions may play. That is the way our civilization is geared.

"But how about a law creating a national public holiday on which everybody and everything would be forbidden to do work of any kind or play in any way? The law would apply to men, animals and machines. It would enforce complete and absolute rest from dawn to dusk."

All beaches, filling stations, bars, restaurants, theaters and highways would be closed. All power plants would be shut down. There would be no television or radio programs, no ball games, no newspapers printed. The zees would lock up, too, thereby denying the caged inhabitants the pleasure of laughing at human visitors.

Cops could stay home and cool their bulions as no burglar would dare burgle on that day.

The only human institutions allowed to remain open would be a few hospitals, as no law can keep a fellow from dying, falling ill, or getting himself born. Heaps would be permitted to go on laying and cows to give milk, as there isn't much Congress could do to stop them either.

But for everybody else—repose, peace, no work or duties or energy-wasting pursuit of pleasure of any kind.

What a silence would fall in every city, as fresh winds cleansed them.

Continued on Page Two

Local Scouts Have Summer of Activity

Boy Scouts and Cubs have enjoyed a full summer of Scouting activities. While the Boy Scouts of Troops 90 and 62 enjoyed summer camp at Camp Pioneer and several outings, Cub Pack 62 remained active and all eight Dens enjoyed weekly Den meetings.

The theory behind Labor Day is great—that is, to honor labor by abstaining from it. And it is a sound theory so far as it goes, because any kind of work looks better from a distance than it does when you get involved in it.

The best summer advance record belongs to Scout Johnny Nix who has received his Tenderfoot, Second Class and First Class ranks since school was out last May, and is at present qualified to receive his Star Rank at a Court of Honor to be held this month. Johnny has been made Senior Patrol Leader of Troop 90. There are 30 other Scout members in Troop 90 which is sponsored by the Hope VFW Post.

Other Scout units are: Troop 62 of the First Methodist Church; Explorer Squadron 62 of the Hope Kiwanis Club and Troop III of the Negro American Legion of Hope.

Cotton Men to Study Results of Poisoning

Cotton producers may observe the results of experimental poisoning of cotton insects in plots on the Jesse C. Burke and West Garland farms Tuesday morning.

Dr. Charles Lincoln, University of Arkansas Entomologist of Fayetteville, who set up and directed the experiment as a demonstration will be in attendance. The Burke farm meeting will be held at 9 and the Garland farm meet at 11 Tuesday morning.

For additional details cotton producers and other interested individuals should contact county agent G. E. Turner at Prescott or county agent Oliver Adams at Hope.

Holiday Death Toll Maintains Grim Average

By The Associated Press

Deaths by accidents maintained a grim, pre-holiday mathematical average today as the extended Labor Day weekend neared its close.

Twenty-four hours before the summer's last national holiday came to an end, this was the toll of accidental deaths:

271 fatalities in traffic accidents; 34 drownings; 49 miscellaneous deaths.

The National Safety Council had estimated before the holiday began that 440 persons would die in traffic mishaps during the 78 hours between 6 p. m. Friday (local time) and midnight tonight. The council forecast was slightly more than five deaths an hour.

The average was maintained the first day of the period, then it dropped off a little. Sunday, with rain in the Midwest and in some other sections of the country, the pace quickened. Then later it fell behind the council estimate again.

Ned H. Dearborn, council president, said he expected the pre-holiday estimate would be reached and probably exceeded after travelers start home. Inclement weather will play an important part, as always, Dearborn said.

Last year's Labor Day holiday period claimed 559 lives, including 432 in traffic mishaps. The record for this holiday was set in 1951 when 659 persons died in accidents of all kinds. In that year 461 persons were victims of traffic accidents, also a record for the holiday.

Supply Store in L.R. Razed by Fire

LITTLE ROCK (AP) — Fire gutted an office supply store here last night, causing damage estimated at \$50,000.

It was the second time in a month that Dailey's United Supply Co., has been ravaged by flames. On Aug. 6, a fire caused \$15,000 damage to the building.

Fire Chief Cam Nalley said both fires were discovered about the same time of day, and both originated in the upper story of the building.

Nalley said firemen brought the blaze under control about an hour after receiving the alarm at 6:30 p. m. Several of the firemen were overcome temporarily by smoke, and falling plaster hit hoseman Bill Hendrix in the eye. He was not injured seriously.

Dalton Dailey, owner of the firm, said he believed that the fire started in a small shed at the rear of the building and crept up a wooden staircase into the building.

Dailey put his loss at \$50,000. He said he wasn't sure whether it was covered by insurance.

The gutted building is located on Markum street, a block and a half east of Main in the heart of Little Rock's wholesale district.

Trench Silo Study Planned Tuesday

Farmers have the opportunity to see an above ground trench type silo being filled at the Charlie Key & Son Dairy Tuesday afternoon at 2 o'clock announced County Agent Oliver L. Adams today.

The Atlas Sargo produced on about 25 acres will be used in the filling of the silo which is 13½ feet wide, 5 feet deep, and 150 feet long. The silo was constructed by setting timbers seven feet apart in parallel rows and bolting up the side walls which are to be lined with a special building paper.

A Forage Harvester operated by Bill Tolson of Hope will be used for cutting, chopping, and blowing the standing Atlas Sargo into trailers for hauling to the silo. The prepared crop will be packed in the silo to expel all of the air possible.

The Charlie Key & Son Dairy will this week complete feeding silage four acres of corn placed in a temporary upright paper lined silo on July 30. Because of the drought damage to the Key Dairy pastures the silo was opened on August 20 for feeding. The Key Dairy is producing 600 pounds of grade A milk daily.

All individuals interested in silage production for dairy or beef feeding are urged by county agent Adams to be at the Key Dairy at 2 Tuesday afternoon to observe and to discuss the practice necessary in quality silage production.

There is considerable disagreement whether the elephants used by Hannibal in the 3rd Century B. C., were of the African or Asian variety.

Fire Destroys Holiday Cafe, East on 67

The Holiday Cafe and truck stop, about two miles East on Highway 67, burned to the ground about 1 a. m. Sunday morning.

The blaze is believed to have started in the fuse box. The operators, Mike Cleveland and Shorty Bridges, reported having fuse trouble earlier in the day.

A motorist discovered the fire and reported it to local officers. When the policemen arrived at the cafe the walls were caving in. It was a total loss. A Fire Department truck went to the scene but it was too far gone to do any good.

Three Accidents Leave Dozen Persons Injured

Three weekend automobile accidents, two in Hempstead, left at least twelve persons injured, two seriously.

Early Saturday night about ten miles south of Hope on Highway 22 a car driven by Thomas Moses of Hope collided with a pickup truck driven by Glendon Nichols of Stamps leaving eight young persons critically injured. All were under 19 years of age.

Young Moses suffered a brain injury, crushed nose and both legs broken. His condition was described as very critical by local hospital attendants.

Riding with Moses were: Gloria Rothwell, Hope, who suffered multiple face lacerations, concussion; Marvin Sinyard, Hope, slight concussion and head lacerations; Jo Ann Harfield, Hope, suffering from shock and severe ankle injury.

Nichols, driver of the truck, sustained a brain concussion, fractured skull, dislocated and fracture left hip, lacerated skull, still unconscious. His condition is also very serious.

Riding with young Nichols were: Riley Wallace, Buckner, who sustained a fractured right arm and lacerations; Gerrie Walker of Hope, bruises and hand laceration; G. D. Fain, Stamps, concussion, fractured pelvis and lacerations.

Investigating officers said Young Moses was traveling north on the left side of the highway and ran headon into the pickup driven by the Stamps youth. Both vehicles were practically demolished. All the victims were brought to a Hope hospital for treatment. Officers have not completed the investigation, Patrolman Guy Downing said.

Also Saturday night near Texarkana an auto driven by J. W. Evans of near Hope, crashed into a car driven by Mrs. J. B. Caldwell, also of Hope. The Caldwell car was forced into a third unidentified auto. The Hope woman was badly bruised and suffered severe lacerations. Investigating officers placed charges of driving while drunk and driving without proper brakes against Evans.

On Highway 55, just south of Saratoga, Saturday a gravel truck driven by Sam West Taylor of Texarkana crashed into a truck driven by J. M. Gamble of Mineral Springs. Riding with Gamble were Ada Lee Newton, Ada Bee Newton and Bessie Ruth Newton, all of Mineral Springs. Investigating officers said all occupants of the car suffered bruises and lacerations and that Ada Lee Newton was seriously injured. They were taken to a hospital at Nashville for treatment. A charge of driving on the wrong side of the road was placed against Taylor.

Investigating the three accidents were State Officers Boyd, Gibson, Porterfield, Downing and Deputy Sheriff Cook.

Traffic Takes Nine Lives in Arkansas

At least nine persons died in Arkansas accidents for the week ended midnight yesterday, with three of the fatalities occurring during the Labor Day weekend.

Traffic accidents accounted for at least seven of the deaths.

A Nebraska man visiting relatives in Stone County was fatally injured yesterday 20 miles west of Batesville when the car in which he was riding went out of control on Highway 14.

Stone County Sheriff C. Storey identified him as Galen Loomis, about 33, of Bellwood, Neb.

On Saturday, a tenant farmer, Ed Root, who lives about 20 miles west of Dardanelle, died at a Russellville hospital apparently from injuries received in a traffic accident on Petit Jean Mountain.

A Pulaski County dairyman was killed Saturday on a farm near Little Rock when the tractor he was driving overturned on him. He was Percy Vernon Gregory, 87.

Fire Destroys More Buildings at Texarkana

TEXARKANA (AP) — A fire raged through two buildings in downtown Texarkana early today destroying four businesses and heavily damaging two stores.

The blaze gutted the old Victory Hotel being used as a warehouse and roared through the Cupboard Cafe, Rosy's Photo Shop, Fowler Drug Company and Buttrick's Hardware Shop. The heavily damaged stores were the Wellworth Variety Store and the Outlet Store.

Fire Chief S. F. Walsh and three other persons were hurt in a two-car collision as the fire chief raced to the fire. Injuries appeared to be minor. Others hurt were Mr. and Mrs. Leslie F. Clagbone of Dallas and Mrs. Tommy Clagbone of Texarkana.

A fire department official who declined use of his name said he believed the total loss would run in excess of \$100,000.

Cause of the fire had not been determined, but the fireman said it apparently started in the Cupboard Cafe. All of the destroyed and damaged buildings were on the Arkansas side of this border city.

None of the firemen were injured in fighting the blaze. Chief Walsh suffered two severe cuts, and was still confined to a hospital for observation.

It was the seventh major fire in Texarkana since April 2 when the International Croasting and Construction Company burned. Nine died Aug. 3 in the Avenue Hotel fire. The Texarkana Milling Company burned April 6. The Tex-Ark Rock Wool plant had a fire April 16. Helms Silt Shop burned May 5 and the Riverside Box Company warehouse caught fire May 11.

News Briefs

By The Associated Press

At least 396 persons have died in accidents in the 78-hour Labor Day weekend as the holiday period moved into its final 12 hours.

Traffic mishaps claimed 287 lives. Forty-one persons drowned and 68 died of miscellaneous accidental causes.

BOSTON — Hurricane Carol slammed the freighter S. S. Egan hard aground on the tip of Cape Cod today as it skirted the coast of New England and headed out to sea toward the Bay of Fundy.

Coast Guardsmen prepared to rescue the freighter's crew by breeches buoy as boiling surf made rescue by boat impossible. The season's third big blow swirled 30 miles east of the resort island of Nantucket where there were no reports of damage.

CHICAGO (AP) — A tenement fire took at least 14 lives in Chicago's South Side Negro section early today, and officials said 14 other residents of the four story building were unaccounted for.

Firemen began a search for bodies in the smoldering rubble of the structure which collapsed during the blaze. The search was delayed until the arrival of investigators from the city's building and legal departments.

Of the 14 bodies recovered early, seven were those of children. Only one was identified — that of Solomon Fisher, 39, a millwright at the tractor works of International Harvester Co., whose identity was established by his wife, Irene, 35.

All Around the Town

By The Star Staff

Another big fire hit Texarkana today destroying a hotel, cafe, photo shop, drug store and barber shop. . . that city is getting "big fire" today, this being the seventh one since April . . . fortunately there were no fatalities this time . . . the last hotel fire brought death to nine persons . . . Hope also had a fire, the Holiday Cafe on 67 burned early Sunday morning.

Approximately 300 traffic fatalities have been recorded over the Labor Day holiday in the U. S., but fortunately up to press time Monday there is no traffic death in Hempstead . . . this despite an unusual number of bad wrecks involving some 12 to 14 persons, most of them under 19 years of age . . . in the county's two worst accidents common traffic rules were violated, bringing at least one charge and possibly others, police have indicted.

Somebody at Yerger High School, and we suspect Principal Will Burthorpe was the guiding hand, has

J. G. Allen, 63, Found Dead Near His Home

J. G. Allen, aged 63, was found dead in a pasture near his home early Saturday morning. He had been missing since Thursday night and his body was discovered by a son.

Hempstead — Coroner attributed death to natural causes.

He is survived by his wife, and seven sons: Harvey C., Edward, Willie C., Homer C., Chester, Lynn and Lonnie Allen; five daughters, Mrs. C. J. Barnes, Mrs. Fred Stewart, Mrs. Earl B. White, Jr., Mrs. Albert Sanders Jr., and Princess Allen, all of Hope.

Funeral services were held Sunday at Oak Grove.

Airliner Crash Lands, 32 Escape Death

McCORD AIR FORCE BASE, Wash. (AP) — A Northwest Airlines Constellation, wallowing almost helplessly through foggy skies, crash-landed and burned here early yesterday. The 32 persons aboard escaped death, but 29 were injured or burned.

The 26 passengers included three infants.

The plane burst into flames as its pilot, Capt. Russell Bird of Seattle, attempted to land with only one wheel down and two engines dead.

Only one of those injured remained in hospitals today and physicians said none were in serious condition.

The No. 3 engine of the huge Lockheed aircraft, failed as the plane roared into the sky from Seattle-Tacoma International Airport at 2:06 a. m. Because of fog conditions, Bird decided to take the craft, scheduled for a nonstop flight to Chicago, into Portland.

He was forced into the landing here when the No. engine conked out. A second engine of the four-engine craft quit soon after.

On the landing approach, only one wheel would come down because of a failure of the hydraulic system. Bird brought the plane down anyway.

It rolled easily along on the one wheel until its speed slackened. Then the left wing tilted to the ground and gas in the wing tanks burst into fire, sending flames shooting 15 feet.

The huge aircraft swerved from the runway. Crew members worked frantically to loosen safety belts and help the passengers climb to safety through a sheet of flame.

Bird and Patricia Grivna of McKeesport, Pa., the stewardess, said all of the passengers were out of the plane and safe within one minute after the plane had stopped rolling.

WASHINGTON (AP) — The Weather Bureau warned hurricane "Carol" will brush against the New England coast today but predicted it would then veer away toward the sea.

"This is still a dangerous storm," the bureau warned in a special morning bulletin on the third hurricane of the season.

Chief Gunner's Mate Hedrick D. Greene, son of Mr. and Mrs. D. G. Greene of Hope, R. I., visited his parents here this weekend en route to his new assignment in Dallas . . . Chief Greene has been advanced to the post of publicity chief of the Dallas area . . . he was transferred from Longview, Texas where he held a similar post . . . Aviation Cadet Joe W. Threat, Jr., son of Mr. and Mrs. Joe W. Threat, Route One, Nashville, is now a student in the USAF Basic Pilot school at Reese Air Force Base, Texas . . . He entered the airforce in December 1950 and had pre-flight training at Lackland Field.

Outcome Seen as Catastrophe for the Kremlin

By DON DOANE

BERLIN, Germany (AP) — West Germany launched Adenauer's ally, Chancellor Konrad Adenauer, and his pro-Western government parties on a new four-year term of office today in a landslide election triumph.

Defying Soviet threats, more than 27 million German voters also threw all the Communists out of their Parliament's lower house, crushed a feared Nazi comeback and turned thumbs down on Socialist pleas for German neutrality in the East-West struggle.

In Europe's most important election since World War II, the West Germans gave an overwhelming endorsement in yesterday's voting to Adenauer's American-backed program for reuniting West Germany in alliance with the Western Powers against the Soviet menace.

The grim-visaged old German statesman's Christian Democratic party won 243 of the 487 seats in the Bundestag (lower house). That was only one seat short of a majority — something no single German party has won since before World War I — and with the 48 seats captured by his allies, the Free Democrats, Adenauer held a commanding margin of 95 seats.

Trailing far behind were the opposition Socialists with 160 seats. Adenauer also could count nominally on the support of the 15 seats won by the German party, the "third member" of his government "coalition" since 1949. Doubts were expressed, however, that he would include this faction in his new government.

The election outcome was a catastrophe for the Kremlin and a triumph for the United States. U. S. Secretary of State Dulles had given Adenauer his open endorsement. Soviet Premier Georgi Malenkov had tried to scare the Germans away from the iron-willed, 77-year-old Chancellor with threats of H-bombs and warnings that Soviet-occupied East Germany could never become reattached to a West Germany reattached on America's side.

Complete official returns from the 22 West German voting districts showed 20,498,554 of the 35,039,078 eligible voters cast ballots. That was 68.2 per cent participation as compared with 75.5 per cent in 1949.

Of the votes, 27,541,040 were valid. The Christian Democrats' 243 seats compared with 141 in the 1949 elections. They won 12,440,790 votes of 7,350,084 in 1949. This was 45.2 per cent of the total. In 1949 they had 31 per cent.

The Socialists won 150 seats with 7,330,774 votes, or 28.8 per cent, compared with 135 seats, 6,843,075 votes and 29.2 per cent in 1949. The Communists tallied 107,413 votes compared with 1,381,708 in 1949. With only 2.2 per cent of the total, they won no seats.

Officials had said there would be only 484 seats in the new Parliament, but three extra seats were added under the complex new election law because of overwhelming victories by Christian Democrat District candidates in Schleswig Holstein and German party candidates in Hamburg.

WASHINGTON (AP) The body of Gen. Jonathan M. Wainwright, the hero of Corregidor, lay in state today at Arlington National Cemetery's amphitheater the first man so honored since the Unknown Soldier.

Burial, with full military honors, will be tomorrow. The general will be interred alongside the grave of his father, Maj. Robert P. Wainwright.

The body was brought to Washington late yesterday.

of all people and factory owners. They were all American would seem, nobody doing anything except just lying in bed resting, doing nothing, dreaming, waiting, all day long.

Well, it's a fine goal, this "No Labor and No Play" Day. There's only one thing wrong with it. It wouldn't work.

It would drive Americans stark crazy. They couldn't possibly sit or still that long. They aren't made that way. They either have to be doing something or going somewhere.

By 10 a. m. the housewives would be saying to their husbands, "Lawdy, no law, this law is just to be cleaned. And you get up, you better, and help me."

By noon, to keep from breaking the law at home, the husbands would be saying to the law, "Lawdy, no law, this law is just to be cleaned. And you get up, you better, and help me."

Before nightfall every city would sound and smell the same and, and 100 million happy faces would be smiling across the nation could be taking a holiday lying down.

PRESCOTT NEWS

Monday, September 7

The Wesleyan Guild of the Methodist Church will meet Monday evening at 7:30 in the home of Mrs. V. M. Chamberlain with Mrs. L. J. Johnson as hostess.

Tuesday, September 8

The Prescott Home Demonstration Club will meet Tuesday evening at 7:30 in the home of Mrs. Ellis Stewart.

Wednesday, September 9

The Prescott Musical Caterie will have its first meeting of the fall season Wednesday afternoon at 2 o'clock in the home of Mrs. J. V. Mahan. Mrs. Dolphina Whitton of Arkadelphia will be the featured guest speaker.

Thursday, September 10

The Parent Teachers Association will hold its first meeting of the school year Thursday afternoon at 2:30 at the Park Elementary School. The program theme for the year is "What Do We Want For Our Children?"

Mrs. Munn Entertains Bridge Club
Mrs. Basil Munn entertained members of the Wednesday Bridge Club.

Recent Bride Felad
Mrs. Adam Guthrie, Jr., and Mrs. William Floyd Denman, Jr., recent brides, shared honors at a morning party given Wednesday by Mrs. Charlie Scott and Mrs. Cleveland Gann.

The Scott suburban home was beautifully decorated for the occasion. A variety of autumn flowers in bright hues were at points of interest in the living room. Green pottery bowls filled with yellow lilies and Japanese daisies added to the attractiveness of the hallway. In the dining room the serving table was overlaid with a white linen network cloth. White tape in crystal holders flanked the central arrangement of white roses and clematis intermingled with asparagus and satin bows in a crystal bowl. The buffet was graced with white gladioli.

The guests were greeted by Mrs. Jack Harrell and presented to the receiving line who included the honor guests, Mrs. W. F. Denman, Sr., and Miss Carol Scott.

Mrs. W. D. Golden, Mrs. S. V. Scott, Miss Margaret Hunter Scott, Miss Linda Scott and Miss Simone Golden assisted in hospitalities.

The honorees were presented with post-poon mementoes. Miss Scott and Mrs. Denman, Sr., wore coronas of flame gladioli and bronze mums. Members of the house party wore gardenia coronas.

Sixty guests called.

Miss Jo Carrington, Miss Carolyn Andrews, Watson Buchanan and Teddie McDaniel of Alexandria, La., saw the Little Rock Junior College — Sunflower, Miss. Junior College football game at War Memorial Stadium in Little Rock Wednesday night. Clyde Watson Buchanan is attending Little Rock Junior College and is a member of the team.

Mrs. Elwood Robinson, Jennie and Betty Long of El Dorado were Thursday night guests of Mrs. Mette Robinson.

Mr. and Mrs. Imen Gee were Wednesday afternoon guests of Mr. and Mrs. Otis Phillips in Magnolia.

Jim Thomas has returned from Lincoln, Neb., where he has been visiting Mr. and Mrs. A. B. Cox and will be at home with his parents, Mr. and Mrs. Charlie Thomas before entering Arkansas Medical School in Little Rock.

Mr. and Mrs. Dunn Phillips and son, John Howard of Longview were Wednesday guests of friends and relatives.

Mr. and Mrs. John Honea have had as guests, Mrs. Marie Poterfield, Sue and Mike of Texarkana.

Mr. and Mrs. Bill Stone, Billy, Susan and Jimmy who have been house guests of Mrs. Clara B. Stone and Miss Luella Stone, have returned to their home in Oklahoma City, Okla.

Miss Claudette Smith spent last week in Texarkana as guest of Miss Iris Ann Nash and Jerry Nash.

See Attempt by Russia to Seize UN Lead

By MAX HARRELSON

UNITED NATIONS, N. Y. — Soviet U. N. diplomats believe Russia will make a dramatic attempt at the forthcoming General Assembly to seize the initiative on the disarmed problem of disarmament and atomic control.

These diplomats expect the Soviets to come up with new proposals dealing with both conventional arms and with atomic weapons, including the hydrogen bomb.

These have been some speculation.
